

KEMPER CO-PILOT® MOBILE APP

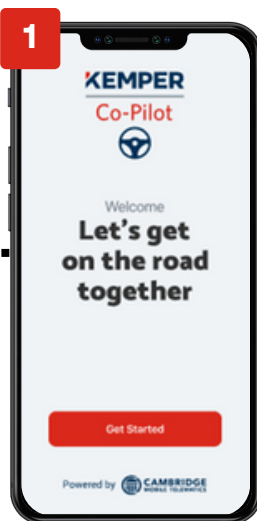

Personal Auto

ENROLLMENT & FEATURES

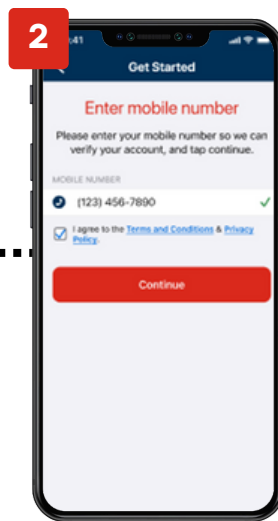

ENROLLMENT DETAILS

After downloading the Kemper Co-Pilot app, customers can follow these easy steps to complete enrollment process.

- **All rated drivers** are required to download and enroll in the app to maintain the discount.¹
- Enrollment must be completed and verified within six days of policy effective date.
- If enrollment is **not** completed and verified by day six of policy effective date, the discount is removed for the remainder of the term. Customer may re-earn the discount if enrollment is completed and verified within 30 days of policy effective date.
- The app must remain enabled on mobile device to maintain enrollment.

Option 1 for Personal Auto

¹ Enrolled customers must download and maintain app on eligible smartphone with required specifications including a gyroscope. The vast majority of iOS and Android phones meet these requirements.
